

The Georgist Education Association (Inc.) is a non-profit, non-party political and non-religious organization in WA.

Our mission is to spread and extend the Georgist principles , which are aimed at accomplishing a fair society and a dignified life for all people .

Our Goals are

- To untax production, labour and capital
- To abolish involuntary unemployment and poverty
- To restore equity in society
- To eliminate unfair speculation and monopolies

We Support

- Free enterprise, initiative and human creativity.
- Equal opportunities for all
- Affordable Housing
- Land and natural resources value as the main source of public revenue
- Green Taxation for polluters
- Care for the aged and disadvantaged
- Social services for the benefit of the community
- A healthy and ethical environment for all the population

We Oppose

- Private Monopolies
- Rent seeking

Our activities include

- active membership
- campaigns
- weekly discussion groups
- library facilities
- public education
